# Dr. Effie

Veterinarian

Trace the name!

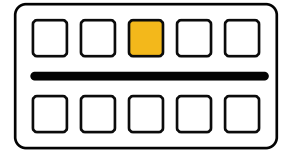

As a veterinarian, I am always amazed by how smart animals are. Did you know that some dogs can smell when humans aren't feeling well? How cool!

Dr. Effie loves to sing to her animals when they aren't feeling well.  
Can you draw some music notes next to Dr. Effie?

# Dr. Whitaker

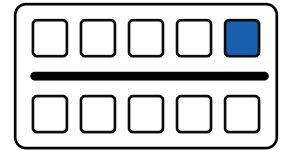

Trace the name!

Relief Veterinarian

Sometimes when I am working in the field with sea lions, we stay on an island for 10 days at a time with no other people. There are just seals and sea lions on the beach as far as the eye can see! The other scientists and I stay in tents and camp out with the animals.

# Sterling Davis

TNR / Community Cat Care Coordinator

Trace the name!

YOU DON'T LOSE COOL POINTS  
FOR COMPASSION!

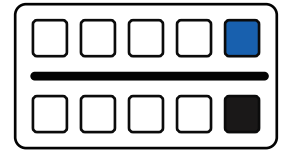

I used to travel the world making music like a rockstar! But because I love cats so much and wanted to help them, I stopped doing music and started rescuing cats. It's important for me to do something I love and that has a positive impact on every creature's path that I cross. Now I travel the world as a rockstar for animals!

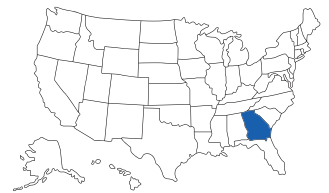

Sterling finds and rescues stray cats.  
Can you find and color all the hidden cats in the picture?
